Chapter 1 by SuperFolder Ghostbuster

(This story is inspired by the game "Injustice". You know, the DC fighting game?)

A nice sunny day in the fields of Vipoz Atoll goes haywire when D3QX, the Dark Side of XQ3D, and Jokestro McDonald led a medium sized army of ghosts to forge a volcano that will engulf the whole island and destroy the PBB from the inside out. Naturally, the PBB won't allow that. So a team of PBB members, consisting of SuperFolder Ghostbuster, XQ3D, CupcakeKitty, Huron the Archer, and Rosebud plan to stop them. They were hiding in the woods to hide so they could plan, but were spotted by the Sinestro Clown: Jokestro!

Ghostbuster told the rest of his team to run while the Jedi takes care of the Lantern. Jokestro's yellow fear was fast, but Ghostbuster summoned all the power of the Force he could muster in order to defeat the clown. The Force has beaten the Yellow Light! As Ghostbuster was catching up to the rest of the team, XQ3D presumed command of the mission so they could combat D3QX's devilish scheme.

XQ3D charged at his Dark Side head on in a heated sword duel between wizard and monster. Ultimately, D3QX's sword skills were nothing compared to XQ3D's, but maybe the defeat was actually a victory as the Ghosts were overwhelming the rest of the team as the volcano was about to be complete. Ghostbuster was about to catch up, but then all of a sudden, SF Ghostbuster, XQ3D, D3QX, CupcakeKitty, Huron, Rosebud, and Jokestro all disappeared as if transported to another universe. But who did it?
